

2018 Spring / Summer men collection

“ A Bigger Splash”

The glitter surface of the water in light blue, the building and the person expressed in soft tone color palette.

A masterpiece of the pop art, which drew daily landscape and people vividly with bright, colors and tones.

The inspiration of the collection 2018S/S is the style of DAVID HOCKNEY, the English artist in late 60's mixed with Psychedelic mood of progressive rock in 70's

The representative color of the season is the light blue, which is the color of water used in his paintings, Grayish beige, earthy white and faded yellow of building and other subjects.

Iconic and unique styles of HOCKNEY are reinterpreted into the modern style with prestigious exclusive fabrics with 70's mood.

Narrow shouldered jacket in exclusive woven linen cotton fabric with the detail of trompe-l'oeil gilet, the washing treatment gives worn out outfit by artists.

The all-in one with strings and asymmetric military parka in Teflon coated cotton.

The soft cotton velvet of Pontoglio comes in Pajama shirts and trousers.

The feature of the construction is reversible pieces,

G-1 flight jacket and classic tapered trousers can be worn by inside –out.

The Work jacket, Iconic piece of the brand and classic gown jacket with detachable sleeves are proposed in the Boucle yarn pinstripe wool, which is exclusively woven for the brand.

Knitwear collection features a lot of prestigious yarn and artisanal technique. Basic distorted Knit T-shirts in High twisted Cashmere – Modal with super smooth touch.

Hand knitted cardigan in reverse stitching, oversized low gauge T-shirts in half cardigan stitching in “ Filo Scozia cotton yarn.

Patchwork knit wear in BIO cotton mélange yarn is totally hand-sewn piece by piece.
