

2016 AUTUMN / WINTER WOMEN COLLECTION

“ OBSUCURE UNIFORM ”

A discreet evolution has arisen in uniforms. Born originally as a functional item, this 2016 AW collection it has been transformed to a new entity to transmit a new definition.

Universal and iconic detail has been taken over and transformed to a modern fabric and designs, which has given a new birth for women' s leaving in this urban life.

The trench coat in tweed denim in the new attitude of raw edges, the Manchester trouser turned into bonded wool gave a new birth, supple and fluid flannel in sleeveless biker and fisherman trouser. The military coat enriched with fur, fisherman smock reinterpreted in heavy striped wool.

Knits in Basque shirt with “ORIGAMI” detail, manly Donegal knits from Ireland accompanied with roll up details and pony skin to apply femminity. Aran knitting are modernized in a new shilluet and implemented in a pullover and a skirt. Ergonomic approach has been taken in classical rib knits to create a graphical feel. Waffle kitting in oversized bell sleeve tops, regimental stripes from British traditional school jackets are converted to wide trousers and coats.

Each items starts to breath seeking for a new journey and life.
